

About me

I have 26 years' experience as a primary school teacher and I am an Organist and Director of Music.

I studied at the National Centre for Liturgy, Maynooth and the Pontifical University, St Patrick's College, Maynooth.

Now I am moving on to offer my skills in Pastoral Liturgy, Music and Religious Education to parishes and schools. I can work with pupils, staff, parents, governors, parishioners and parish groups.

Recently I have taken custodianship of my childhood home, Arrowsmith House, near Preston where, according to tradition, St Edmund Arrowsmith said his last Mass. My parents welcomed visitors here for over 50 years and I hope to continue in their footsteps. Further details on the website.
